

Aircraft Maintenance Engineer

Levaero Aviation is the exclusive Canadian Pilatus PC-12 and PC-24 Authorized Sales & Service Centre, providing exceptional maintenance services to our customers from around the world. Our customers travel to Levaero for our unparalleled quality service and support. We are very proud to be Pilatus Class. Professional Pilot magazine ranked Pilatus and the Pilatus dealer network #1 for product support for 17 consecutive years.

Consider becoming an integral part of our extremely reputable team of aviation professionals. At Levaero Aviation, we value our employees. We invest in our staff and provide employees with room to grow not only within the company, but within the industry as well.

This is a full-time, permanent position based in Thunder Bay, Ontario. Located along the north shore of majestic Lake Superior, Thunder Bay offers a high quality of life with a growing food and beverage scene, expansive wilderness for the outdoorsman, a vibrant entertainment district, and affordable housing opportunities. Thunder Bay has the amenities and benefits of a big city while also being a stone's throw away from vast wilderness and nature. (For more information about Thunder Bay

visit: <https://www.gotothunderbay.ca/en/index.aspx>)

Applicants must have, as a minimum, a valid Transport Canada M1 category AME license. Preference will be given to those applicants with previous Pilatus PC-12 and/or other modern pressurized turbine aircraft experience. A valid Transport Canada M2 category AME license would be an asset. This is a full-time permanent position, based in Thunder Bay, Ontario.

As a member of our energetic and professional service centre team, you will receive;

- Medical benefits
- Company-sponsored pension program
- Highly competitive pay scale
- Years of service bonuses (additional pay or vacation)
- Generous shift premiums
- Paid sick days
- Clothing allowances

- A fantastic career experience!

Wages are commensurate with experience. (\$50,000.00 - \$78,000.00 per year)

Please forward your resume to:

Levaero Aviation
