

**Levaero Aviation is the exclusive Canadian Pilatus Authorized Sales & Service Centre. We are the leader in Pilatus PC-12 and PC-24 Service and Support.**

We are currently seeking a highly-motivated and passionate individual who is eager to join our Sales and Marketing team as a **Demonstration Pilot, who will also assume the title of Chief Pilot/DFO** and perform all functions required to maintain the 703 AOC in good standing.

Our Demonstration Pilot will be responsible for showcasing the Pilatus PC-12 NG single-engine turboprop, and the Pilatus PC-24 twin-engine jet, to prospective customers and their representatives. In collaboration with our sales and marketing team as a product expert, the Demonstration Pilot will be expected to provide insights to prospects as part of the complete aircraft sales process, as well as aid in areas related to technical marketing. These responsibilities will necessitate participation at various industry events, both nationally and internationally. Applicants should expect to fly 100-200 hours per year. Such travel is related to aircraft demo tours, showcasing the aircraft at both national and international trade shows such as the CBAA and NBAA, company concierge flying, as well as mentor pilot flying.

The position is based in Thunder Bay, Ontario.

The successful candidate needs to communicate a passion for Pilatus products and meet the following requirements:

**Education:**

- Post-secondary degree or diploma in a related field

**Head Office**

2039 Derek Burney Drive, Thunder Bay, ON P7K 0A1  
Bus: 807-475-5353  
Fax: 807-475-5405

**Sales Centre**

2450 Derry Road East  
Signature FBO North Lounge, 2<sup>nd</sup> Floor  
Mississauga, ON. L5S 1B2 TF: 844-LEVAERO [538-2376]

### Qualifications:

- A minimum of 2,000 hours on the Pilatus PC-12
- Possess and maintain a current CPL/IFR with FAA conversion and medicals
- Have the legal right to live and work in Canada and be able to travel internationally
- Demonstrate knowledge of the Canadian Aviation Regulations
- Be technically proficient with MS Word, Excel, PowerPoint, and able to learn other platforms as needed
- Ability to travel
- Ability to interact with customers and prospects, and build relationships
- Excellent verbal, written, and organizational skills
- Jet experience is an asset but is not required.

### Compensation:

Salary range \$115,000 - \$140,000/annum, commensurate with experience. Additionally, you will be provided with medical benefits and may participate in the corporate pension program. As part of the Sales and Marketing team you will also earn additional compensation based on successful aircraft sales.

We thank all applicants, however, only those selected for an interview will be contacted. No telephone calls, please.

Resumes, accompanied by a cover letter, must be submitted in either MS Word, PDF, or Email (plain text, rich text or HTML) formats to the attention of:
