Pilatus PC-12 Serial No: 182

Levaero
AVIATION

This Canadian-based Pilatus PC-12 is a gem! A former government owned & operated aircraft, it underwent a total interior & exterior refurbishment. Including new avionics, paints and cabin upholstery. It was most recently operated by a VIP operator, with light use since its major upgrades. It is still a few thousand hours away from a Life Extension, and is looking to make a new owner very happy! Don't hesitate with any questions you may have.

Overview

Total Time: 17,197.2 TTSN

Total Cycles: 13,360 TCSN

Engine: Pratt & Whitney PT6A-67B

- 1,578.9 TTSO
- 1,393 TCSO

Propeller: Hartzell HC-E4A-3D
