

Aircraft Maintenance Engineer (AME - M1 and M2)

Location: Collingwood, ON (Full-Time Licensed, Part-Time Casual)

Pay: \$33.21 - \$49.55/hour (plus bonuses and overtime)

Join Levaero Aviation - Canada's Premier Business Aviation Company

Levaero Aviation is a trusted name in Canadian business aviation, offering sales, service, and maintenance. For over 28 years, we've delivered unparalleled service, quality, and expertise to clients across Canada and beyond. We are looking for a licensed AME (M1 and M2) to join our growing team, working with exceptional people on top-tier aircraft.

This is your opportunity to build your career in a high-performance environment while enjoying great work-life balance and premium compensation.

What Will You Be Doing?

- Perform aircraft inspections, repairs, scheduled maintenance, and troubleshoot aircraft systems
- Provide mobile support and assist at external service locations
- Maintain accurate records in accordance with Transport Canada regulations
- Collaborate with a tight-knit team of aviation professionals committed to safety and excellence

Skills & Qualifications:

- Valid M1 and M2 Transport Canada AME License (required)
- A commitment to quality, safety, and professional integrity
- Strong problem-solving and communication skills

Join the team that's elevating Canadian aviation.
