

Aircraft Maintenance Engineer

Full-time Licensed and Part-time Casual Contract Positions Available

COLLINGWOOD, ON

Levaero Aviation is an industry leader in business aircraft sales, support, and maintenance, providing exceptional service to customers from around the world. Our customers rely on Levaero for our unparalleled quality and expertise. Consider becoming an integral part of our highly reputable team of aviation professionals.

At Levaero Aviation, we value our employees, investing in their growth and providing opportunities to develop both within the company and the broader aviation industry.

Positions are based in Collingwood, Ontario, a vibrant town known for its stunning natural beauty and outdoor activities. Affordable housing options are available in Collingwood and nearby communities like Wasaga Beach and Stayner, offering a range of choices with easy access to the town's amenities. Experience the best of small-town living surrounded by nature and adventure.

Applicants must have, as a minimum, a valid Transport Canada M1 category AME license. Preference will be given to those applicants with previous Pilatus PC-12 and/or other modern pressurized turbine aircraft experience. A valid Transport Canada M2 category AME license would be an asset.

Licence/Certification:

- Transport Canada AME license (M1 or M2) (required)

Location:

- Work is performed on site (Collingwood, Ontario)
