

Aircraft Maintenance Engineer

GREATER TORONTO AREA, ON

Levaero Aviation is an industry leader in business aircraft sales, support, and maintenance, providing exceptional service to customers from around the world. Our customers rely on Levaero for our unparalleled quality and expertise. Consider becoming an integral part of our highly reputable team of aviation professionals.

At Levaero Aviation, we value our employees, investing in their growth and providing opportunities to develop both within the company and the broader aviation industry.

This is a full-time, permanent position based in the Greater Toronto Area (GTA), Ontario. The role involves both on-site and mobile support, performing hands-on aircraft maintenance as well as coordinating and overseeing maintenance performed by external service providers at various locations across the region. The GTA offers a dynamic and diverse environment with world-class amenities, entertainment, and career opportunities, making it a great place to live and work.

Applicants must have a valid Transport Canada M1 & M2 category AME license. Preference will be given to those with previous Pilatus PC-12, Cessna 550, 560, 650, and 680 aircraft experience.

Licence/Certification:

- Transport Canada AME license (M1 or M2) required

Location:

- Work is performed on-site and via mobile support in the region 7-on/7-off (12-hour)
